

Please delay the rule change and allow time to have a real democratic debate about its consequences. Mr. Powell, I heard your remarks on NPR last night, and your reasoning does not make good sense. It smells to me like another attempt on the part of the Bush administration to put more money into the pockets of huge corporations at the expense of what is best for the nation. This rule change is not whay is best for the nation. Please allow for the debate that we, the small taxpayers, deserve.

Yours truly,
Betsy Saunders
